

# Victoria Harris

## Head of HR

Based in our London HQ, Vic is responsible for our global Human Resource function, leading the implementation of HR infrastructure and processes in support of the company's rapidly growing global footprint.

Vic is a seasoned HR pro with over 8 years experience in building HR teams in growing start ups. Her previous role was at a Business Intelligence company where she was a commercially focused HR generalist, specialising in Recruitment & Performance Management.

Highly people orientated, Vic has been instrumental in contributing to Blis' unique and exciting workplace culture.

Outside of HR Vic enjoys gardening, sports and eating.
